

Vocabulary List For Protective Behaviours

Please see below for the list of the vocabulary that will be used by the teaching staff during the Relationship and Sex Education lessons. Your children may discuss this with you so please use this document to support your discussions at home. They will use the vocabulary for their specific year group and any of the vocabulary from previous years.

Reception	Vagina Penis Naked They will also discuss different family set ups e.g. mum and dad, two dads
