Tuesday 23rd June 2020

Dear Parents / Carers,

Thank you once again for choosing to send your child to Hinckley Parks Primary School. We are delighted to be welcoming your child to our school and are very much looking forward to meeting you. Some of you will already have some knowledge of the school, whilst for others this August will be your child's first experience of school life.

Under normal circumstances we would be holding an EYFS Induction Evening for parents/carers, giving you the opportunity to meet myself and the EYFS team and to gain important information about your child's first year at Hinckley Parks. You would also have an opportunity to visit the Foundation Stage classrooms, unfortunately, with the current restrictions in place due to the pandemic this will not be possible.

However, we have still planned a full induction programme for your child which will take place in August, full details of dates are included in this pack. You will also find in this pack, all of the information needed to prepare your child for starting school.

In addition to this, we are hoping to hold an induction meeting for parents of new starters on Wednesday 8th July 2020 at 6pm in the school hall. This is subject to government guidance and approval. Please can we advise at this point that only one parent per child attends the meeting and children do not attend. We will inform you of any changes to these plans as guidance is updated.

We hope that you will find this induction pack useful. We are desperate to make this transition into school as smooth as we possibly can under the present circumstances and to reduce any anxiety you may be feeling.

If you have any questions, please do not hesitate to contact us. The school office is open from 8.30am to 3pm during the week or you can send an email to office@hinckleyparks.leics.sch.uk

Yours sincerely

Mr D Harding, Headteacher
