My role in school is to provide support and advice to families and their children within our

school community. I can help with any worries that you may have in relation to your child's education, behaviour and wellbeing. I am also here as someone to talk to if you need it. Advice and support is confidential, although concerns relating to the safeguarding of children will always be dealt with in accordance with the schools Safeguarding & Child Protection Policy. I may not have all the answers, but hopefully I can help you work out how to find them.

What can I offer your child:

- Promoting good attendance and punctuality
- Boosting self-esteem and confidence
- Promoting positive behaviour and positive attitudes to learning
- Bereavement & loss support
- Changes in family circumstances
- Promote positive friendships
- I am the schools 'Champion' for Young Carers

What I can offer you:

- Provide information and contact other services if needed
- Liaise with Early Help and Social Care in the community
- Attendance support and other agency meetings
- Advice and support in promoting positive behaviour at home
- If you think your child is being bullied — please contact me with regards to their wellbeing.

* This list is not exhaustive and there maybe other reasons that you or your child may need support

Ways to contact me...

I am based at the school from 8.30am to 4.00pm daily.

Please call me, email me or pop into the school office to make an appointment; I will be happy to meet you as soon as I can.

Many thanks

Deb
