

AGM Meeting Minutes

Thursday 16th Jan 2020

I. Attendees

Sally Bott - Chair (SB), Charlie Hill (CH), Joanne James (JJ), Lucy Stachurski (LS), Jo Adcock (JA), Hayley Tallis (HT), Cathy Suett (CS), Dave Harding (DH), Nicola Johnson (NJ), Lydia Szymkowiak (LS)

II. Apologies

Louise Higgins (LH), Katy Adcock (KA)

III. Financial Update

Sally reported in Louise's absence that we currently have £5212.43 in the bank, with all debts paid including payment of the playground markings which the children are excited to use (if it ever stops raining)

School council funding also agreed and paid. Great reviews on the software so far as it allows all children to take part rather than a handful

IV. Future project plans

No major project on the horizon but continued discussion and ideas needed on how to make the upper school area as interesting as the younger years' playground.

CS will also investigate re-work to the ground under the trim trail to make this an all year area as its currently having limited use due to the mud.

In the meantime, smaller requests from DH/CS were discussed and agreed

Outdoor storage – the playground equipment is very popular but curtailing play time whilst the dinner staff take out and put away the equipment. 4 storage units requested at £80 each. DH to source

Yr6 revision books – DH would like the 60 yr6 children to have Maths and English revision books at a cost of £3 per child. DH to source

Entrance hall display – now the school is securing more prizes/trophies, DH/CS would like a feature display case in the entrance hall to promote the schools' achievements. DH to investigate costs

V. Other fundraising ideas –

Donations of unwanted Christmas gifts

We felt ideal timing to get some donation for future events – SB to draft a letter to be sent via parentmail

5p challenge

A fun competition for each class to collect as many 5p's as possible – there will be a prize (tbc, will review our current 'stock' and any donations we receive) for the class that raise the most money. SB to draft a letter and send via parentmail

Games & Social night

A variation to film night as many children just want to come into school to socialise. £2 entry & tuckshop to be available. Children to bring their own games (same rules as toy day) plus a couple put on by the PTA (JJ will investigate what is left from previous fairs), across 2/3 classrooms. Planned for Thursday Feb 6th

Mothers day event

A few ideas discussed but DH/CS to come back with what is achievable but likely to be Friday March 20th

Easter Bingo

Agreed to go ahead with JA as caller, on stage in the school hall. Jacket potatoes and toppings will be served from the kitchen at additional cost. Tickets can be pre-bought (checking costs/format from last year as it was successful and will be re-done). CH to organize a raffle prize. Letter to be drafted to include a request for Easter themed donations as prizes (too many for the last round last year so we need to stagger the prizes more this time round). JJ to find or source new tickets

Colour run,

All agreed a good idea, potentially agreed for Friday 15th May to celebrate the end of SAT's week as an afterschool event. CH to investigate costs of the paints involved and the cost to participate will be calculated accordingly. All family welcome. Attendees will need to sign a permission slip in case of any accidents. CS proposed personalised

picture certificates to be presented to attendees in a future assembly. Opportunity to raise further funds by having refreshments on sale

Fathers Day event

A few ideas discussed but DH/CS to come back with what is achievable

Please see attached timeplan for any additional detail.

VI. AOB

Summer Fair confirmed as Sat 27th June – planning to be discussed at the next meeting. HT tasked with starting to find raffle prizes

Ice Skating costs and possibilities to be further investigated to ensure the event would give a return - -pushed back until next school year but everyone interested in more info

VII. Next Meeting: Agreed Thursday April 30th @ school
