WELLBEING POLICY

Date Ratified: September 2018
Review Cycle: 2 yearly
Review Date: September 2020

Opportunities | Wisdom | Legacy

Our school vision is based on our school motto, 'Opportunities, Wisdom, Legacy.' At Hinckley Parks Primary School, we strive to provide an inspiring and exciting wider curriculum together with a stimulating learning environment which will allow children the opportunity to enjoy a wide range of experiences which will develop the whole child and prepare them for the next stage of their lives. We recognise that education is a life long journey and ensure that we support children and teachers at all times to ensure that we provide the highest standard of teaching and learning possible for all children. Through our school values, we help each child develop knowledge and understanding as well as having a positive attitude towards themselves and others to enable them to enjoy a successful life in school and to allow them to make a positive contribution to society in the future. We celebrate success and achievement for every child and pride ourselves on developing a culture where children and adults look back fondly on their time spent at Hinckley Parks Primary School.

The emotional and physical wellbeing of all staff is important to Hinckley Parks Primary School. At our school not only does every child matter but we also believe every person matters.

The actions within this policy have 5 key aims:

- To minimise the harmful effects of stress.
- To provide effective support for all staff.
- To help each individual to achieve an appropriate work-life balance.
- To take a positive and understanding approach to the management of stress in line with current good practice.
- To respect confidentiality.

As a school, we promote work life balance. We seek advice from outside support agencies such as occupational health. We have policies and procedures to deal with bullying, harassment and issues of personal safety. We seek opportunities to care for the staff through initiatives and through discussions within performance and development reviews.

The main part of this policy is based around the Health and Safety Executive Management Standards. Each section responds to a standard and how the school carries out its duty of care.

Demands

The Standard states that “Employees indicate that they are able to cope with the demands of their jobs and systems are in place locally to respond to any individual concerns”.

Within Hinckley Parks Primary School every member of staff is given adequate and achievable tasks which suit the agreed hours of work. Individuals have a job description which details the job demands and this is part of the recruitment procedure before agreed contracts are signed. Appointments are made to match the skills of the person with the job and adjustments are made with the agreement of all. No member of staff will be expected to carry out duties which are beyond their capabilities unless these are agreed as a development strategy.

Concerns about the work environment and its impact upon an employee’s ability to satisfactorily complete duties are shared with either a line manager or senior member of staff. Every attempt is made to rectify the issue.

Staff wellbeing is monitored by means of a questionnaire (see appendix).

Control

The Standard states that “Employees indicate that they are able to have a say about the way they do their work and systems are in place locally to respond to any individual concerns”.

Within Hinckley Parks Primary School every member of staff has a defined role. Initiative is actively encouraged and as a school we welcome staff to be free thinkers and extend practice beyond the expected. The school has a Continuing Professional Development Policy which details the means by which all staff are encouraged to extend their skills and knowledge. Formal access to courses and training is through individual performance reviews and through audits of subject needs.

Other courses may be available but they are more closely related to budget availability.

As a school we are open to the changing face of employment structure and the relationship between home and work life. We make every effort to ensure that an employees working pattern suits their needs.

Support

The Standard states that “Employees indicate that they receive adequate information and support from their colleagues and superiors and systems are in place locally to respond to any individual concerns”.

Within Hinckley Parks Primary School we have an active support structure within the staff which has no formal basis but is generated from mutual respect. However, should this structure break down, the management structure has a wide base and a member of the SLT is always available to support staff and attempt to rectify situations.

Hinckley Parks employs an on-site Family Support Worker, available to listen to any concerns, and direct staff towards appropriate additional support if required.

The school encourages staff to discuss work and provide each other with constructive feedback. Although we have formal observations, informal observation and comment between both teachers and SMT is encouraged.

Relationships

The Standard states that “Employees indicate that they are not subjected to unacceptable behaviours, e.g. bullying at work, and systems are in place locally to respond to any individual concerns”.

Within Hinckley Parks Primary School we promote positive relationships within the staff and we adhere to the principles of growth mindset, which is applicable to adults and children alike. We encourage everyone to report any incidents of bullying or unacceptable behaviour. These will then be fully investigated by an appropriate member of the SLT and a governor, if required.

Role

The Standard states that “Employees indicate that they understand their role and responsibilities and systems are in place locally to respond to any individual concerns”.

Within Hinckley Parks Primary School we actively ensure that staff never have conflicting roles. This is achieved through our staff structure and careful planning of appointments. Upon appointment, staff have a job description which outlines the key roles and expectations of the job. New staff are supported by others in their team in addition to their performance review manager. Should there be any doubts about the role, or role expectations, the Headteacher or Deputy Head should be consulted.

As a school, we have many influences which impact upon our working structure. This may result in short notice changes. During periods of role change, staff will be kept up to date through staff briefings and individual meetings.

Change

The Standard states that “Employees indicate that the organisation engages them frequently when undergoing an organisational change and systems are in place locally to respond to any individual concerns”.

Within Hinckley Parks Primary School we seek to involve all appropriate staff in consultations regarding change. We provide information as soon as possible and will call staff meetings if they are relevant. Staff are always aware that consultations are a means by which we gather views and are not always a mechanism for changing policy or decision.

Support will be provided during the process and outside support agencies will be signposted.
